- October 31st: Halloween parade at 1:00 p.m. on the soccer field.

Today's Birthday:
Ethan S.

Hello All,

At this point, it looks like there is a 50% chance of showers on Friday. I think we should forge ahead and do the walk. If it looks really dire that morning, we can call it off then, or we might decide to do it a little later if it appears there's a passing shower.

So, please remind everyone to wear RED, and bring banners and signs. We will have certain staff members controlling traffic.

Also, tell students that if they are having any parent, family member or community member join them for the walk, that adult must tell the teacher of that student and stay with the class. (Jessica Eaton, parent of Trey, will have her son Mason with her at the front of the walk).

Just as a reminder, this is how we are going to proceed on Friday:

8am - Announcements as usual.

The Office will dismiss by Class in this order: 2nd grade, 1st grade, Kindergarten, 3rd grade, 4th grade, 5th grade, 6th grade, 7th grade, 8th grade. Jessica Gillen will lead the parade with her two charges, Skylar and Trey.

Parents can join us, but should walk with their child's class. High School students and community members may also join us.

If students arrive late, parents or students should drop their stuff off in the office, join the walk, then come back to the office to check in.

All students should be reminded that they should be on their best behavior. Everyone is to stay on the sidewalk unless crossing the road at designated spots. Jessica Gillen has put a map of the walk in your mailboxes.

The walk should take 25-30 minutes. When we return, all students return to their regular class.

Banners and signs will be made in advance

Everyone should be encouraged to wear RED.

Children can wear labels with the names of people they know who have diabetes. Labels have been distributed to teachers. If you want more, please see Nurse Lisa.

THANKS!

Catherine
